We will meet in the classroom, AT (Applied Technologies Building) 328, every Monday from 10-10:50 AM. On Monday, March 22, you will submit paper copies of the exercises that you have completed in *A Student's Companion*. See the file posted in Moodle for a complete list. Remember to bring these items to each class: a mask, *A Student's Companion*, *A Writer's Reference*, your journal for ENG 111, and a pen with dark ink, preferably black. Class time is primarily time away from our screens. Using your phone or any other digital device without permission will lower your grade.

On Wednesdays we will not meet as a class, but I will be in the classroom, AT 328, from 10-10:50 AM, to work with you one on one. If you would like to work independently in the classroom, you are welcome to do so, but keep in mind that the room is a quiet space for work.
